

Aims and Philosophies

We enable children to 'Learn for Life'.

- Our prime responsibility is to nurture a child's basic instincts in such a way that he grows into a person with a life-long intellectual quest, altogether making him physically, mentally, morally and spiritually strong enough, so that he can easily lead his life in a socially responsible way.
- We provide each student with greatest possible attention in a disciplined environment with cues to learn and grow faster
- We enable child to realize his inner potential, by growing consideration and regard to his prompting talent
- We enable child to relate to his environment, society and culture in a better manner
- We help each individual to find something at which he/she can excel in, thereby growing his self-esteem and natural talent.

Director's Message

Dear Parent(s) / Guardian(s),

**Karmanyevadhikaaraste Maa Phaleshu Kadaachana !
Ma Karmaphalaheturbooh Maa Tey Sangosthvakarmani !!**

"Your right is to work only, but never to the fruit thereof. Be not instrumental in making your actions bear fruit, nor let your attachment be to inaction."

-Shrimad Bhagvadgita

At the very onset, I would like to extend my earnest gratitude to all, who have shown their keen interest in our institution's growth & development and wish to journey even forward with us. Moreover, I would also like to welcome the Parents and Guardians, who are looking forward to place their children in our guidance, from now on.

It has always been a matter of immense pride and satisfaction to all, of having established a first-of-its-kind 'English Medium School for Toddlers' in Lalganj region. We started as a Play-school in 2009 and have grown to a commendable state now, with development of new infrastructure, more classrooms and adoption of latest teaching methods/aids for all our students - from Play-Group to Class XII.

With years of toil and perseverance, we have made progressive strides in attaining and maintaining highest quality standards in all our services and deliveries.

With concerted efforts of all GDM-YES members, we've tried our level-best in taking our institution to a height, from where we can mark ourselves as among the 'Best Providers of Quality Education to Yonkers' in our region, at large.

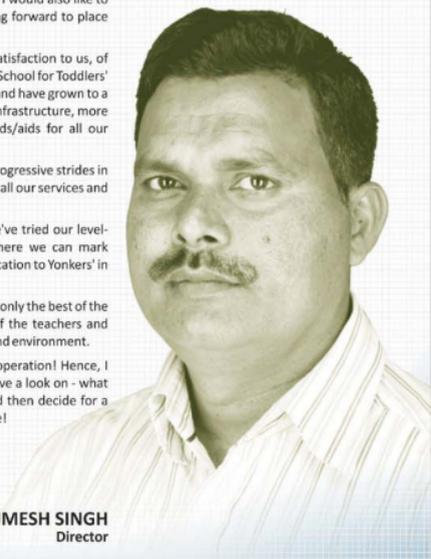

We can now humbly say that- GDM-YES possesses not only the best of the fertile brains being taught here, but also the best of the teachers and faculties teaching them, in best of the infrastructure and environment.

We wish to carry on this even further with your co-operation! Hence, I solicit your personal visit to our School Campus to have a look on - what we really have to offer to your Child! Come, see and then decide for a destination for your child's education and bright future!

Looking forward to welcome one & all!

Willing to meet you all!

UMESH SINGH
Director

Introduction

GDM-YES was established in year 2009, in the fond memory of Late Mrs. Gomati Devi (1940-1980), our 'Lady of Vision' who very soon in her life, recognized the value of education, honesty & hard work in one's life & character! She considered them essential for one's success and well-being. She instilled these values in her children too, apart from insisting everyone in her circle to help & support young pupils in pursuing quality higher education, so that they may enrich themselves by fetching knowledge and emancipating their lives by using it aptly.

GDM-YES is run under the aegis of Gomati Devi Smriti Shakharik Samiti (GDSSS Trust), Lalganj, Azamgarh.

Every year, 14th May is celebrated as GDM-YES Foundation Day (since 2009) as the 'Union of Visionaries' Day! We're a Co-educational English Medium School, based on CBSE pattern, for Students from Play-Group/ Nursery to Kinder-Garten as well as Class I to X.

We have a lush-green school campus spread in an area of more than 2.5 acres in Gomati Nagar, (on the way to Tarwan -0.5 Km from Lalganj Market) in Lalganj, Azamgarh.

Our Strength lies in our 'Simple Philosophies of Work and Life'. We feel 'Education is the biggest treasure that seldom gets deteriorated, lost or stolen.'

Our Assets - are 'Our People'. We have a dedicated team of highly qualified and efficient Teachers and other Staff Members with a focused Top Management Support. Currently, we have a large number of students base, along with 60+ Teaching and 35+ Non-Teaching Staff.

We owe our students - the same comfort and security as that like of a 'Second-Home'. Our main motive is an all-round development of our students, so we use innovative techniques of teaching as to make learning a fun.

School Facilities

INFRASTRUCTURE & AMENITIES

We have one of the finest 'Learning-hubs' for students in the vicinity.

We have two lush-green campuses spread over a sprawling area of above 2.5 acres with 3 Buildings, viz., an Administrative-Block and two Academic-Blocks- an each for Junior- and Senior-level Students, respectively.

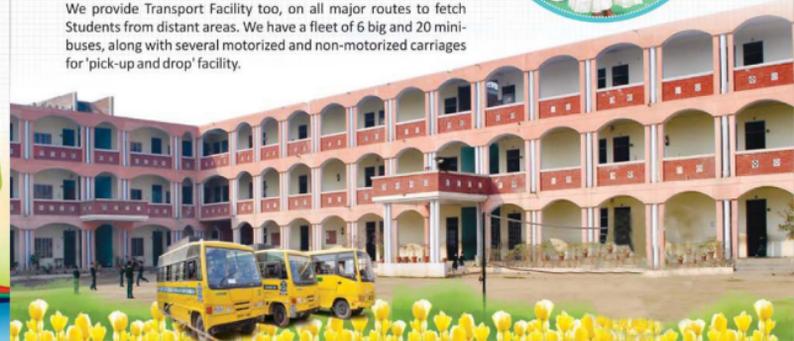

We have 50+ Classrooms with a big Assembly-cum-Play Ground, a well-equipped Library and Computer Lab. We are equipped with HCL and MBD Digi-classes as an Advanced Learning Platform for kids of all levels. Projector-based studies are basic medium of teaching to make curriculum more interesting and easy to grasp!

We've Science Laboratories (PCB) and other Skill-Labs (Maths, Computers, Arts & Crafts, English Speaking, Music & Dance, Project Rooms, etc.) too.

We also have an Auditorium for Cultural Activities and a Play-House for Little-ones furnished with all kind of toys, games and Audio/Visual Systems for learning and entertainment.

We have 'Portable Drinking Water' and good Sanitation Facilities. We have the 'Students-Emporium', 'Staff-Room', 'Waiting-Room', 'Fee-Office' and 'Principal Room' in Administrative Block, separately operating outside the Academic Block, as to ascertain minimum disturbances in studies.

We provide Transport Facility too, on all major routes to fetch Students from distant areas. We have a fleet of 6 big and 20 minibuses, along with several motorized and non-motorized carriages for 'pick-up and drop' facility.

FACULTY PROFILE

TEACHING METHODOLOGY

Our pedagogy is best in the region in terms of Knowledge-delivery.

We've a team of 60+ highly qualified and trained teaching staff. Our teachers are trained to impart learning to our students aided by various teaching tools & techniques.

We implement best teaching practices and norms to establish benchmarks in quality education.

We encourage our teachers to use various audio/visual aids and to supplement easy learning by flash-cards, charts, posters, figurines, toys, games, models, diagrams, etc.

Making use of Projector-classes and Digi-classes to teach are more of a 'norm' than 'rule'. We've collaborated with HCL and MBD to provide Digital classes to students with Picto-Graphic (3D) mode of delivery.

We encourage our students to make Projects in each subject. We hold Activity-classes every Saturday along with Sport-classes.

Children are provided with Work-sheets and Activity-Modules every day, so that they have to do them as class-work as well as home-work.

Teachers take personal interest in teaching and mentoring students, so as to hone and bring-out their innate capabilities & talents. Performances of each & every student is carefully recorded in and monitored by 'Students'-Profile' book of each class.

We stress maximum upon 'hands-on' learning in real social set-ups. 'Play-to-Learn' and 'Learn-to-Play' is the driving idea behind it!

FACULTY

We have well qualified staff of 60+ Teaching-members; who have an innate ability to engage young minds in various brain and body stimulating tasks, by understanding their needs and making them understand need of others.

Our Human- Resource is outstanding in terms of competence they show in Students- and Teaching-related matters.

They are receptive to modern practices of teaching and learning and are very Student-centric in their approach.

Top Management is strong proponent of Teachers'-Development, so they also periodically conduct various in-house training programmes and workshops, by sending in various experts and teachers from Varanasi, Lucknow, Delhi, Mumbai and Kolkata.

Our teachers hail from diverse back-grounds with commendable educational records.

School Activities & Achievements

Curriculum

Our curriculum is based on the syllabus prescribed by Central Board for Secondary Education (CBSE), New Delhi. Medium of instruction is English. It includes Subjects like English, Hindi, Mathematics, Social Studies, Science, Computer Science, Moral Science, Sanskrit, Arts & Craft, Games, Music, Dance, Physical Education and Environmental Education.

However, we believe firmly that education does not come with textbooks rather we have to fine-tune young minds to grow a natural inquisitiveness towards enquiry, research, logical-thinking and conclusion so as to heighten their spirit of true knowledge-seeking venture.

We provide extra care and attention to weaker students.

Extra-curricular Activities

We encourage our students to take part in various Co-curricular activities, so as to hone their creative abilities and other soft-skills too. We organize Cultural Programmes on National Days like 26th January, 15th August, and 2nd October as well as on Teacher's Day, Children's Day, etc. We celebrate our Foundation-Day on 14th May every year. The 'Annual Sports Day' is organized on 14th November each year.

We also appreciate our students in enjoying festivals like Holi, Diwali, Eid, Rakshabandhan, Christmas, etc.; so, as to breed the feeling of unity and brotherhood among them. Quizzes and Elucutions are organized in Classes. Rangoli, Mehndi, Drawing & Crafts Competitions are also organized from time to time.

We also put our students into physical exercises like PT, Yoga, Sports, etc. to keep them fit. We also take our students to Educational Tours/ Excursions to Historically and Culturally important Destinations like Varanasi, Allahabad, etc.

We arrange intra-school students' activities under Four House Systems- viz. RED, GREEN, BLUE & YELLOW House. We also encourage our Students to take part in various Interschool Competitions.

Matbar Singh Sarthak Shiksha Scholarship (MS^s)

This Scholarship Scheme has been instituted in name of Late Matbar Singh (1936-2010), the Founding-father of G.D. Memorial Yonkers' English School. He was a pious gentleman with keen interest in books and scriptures. He devoted his maximum time in study of different philosophies. He was person of saintly demeanor with innate character of wisdom, honesty & hard-work. He was a true human-being with compassion towards all and compliance to all morality. He wanted to preach truths of Human-life that he studied and researched in his life of solitary meditations. His dream was carried forward by his eldest son- Mr. Suresh Singh & daughter-in-law - Mrs. Kusum Singh, in form of a social-initiative of launching 'G.D. Memorial Group of Institutions'.

Matbar Singh Sarthak Shiksha Scholarship (MS^s) is a Social Initiative of GDM-YES

It is a Merit-cum-Means Scholarship provided to Meritorious Students each year (Top 3 Students from each Class) those who score highest in a General Aptitude Exam conducted by GDSSS Trust.

Every year Exam is conducted in December while results are announced in March-April.

Two students from each class (I to XII) stand to garner scholarships for their exemplary performance in their individual General Knowledge Test (IGKT). This Scholarship-test gives every student a fair and equitable chance to show his talent in learning and help finance his studies by himself/herself. This venture has proved much significant in boosting children's morale, confidence and competitiveness.
